

Privacy Statement

As a patient of Prof Luk Rombauts, a medical record containing personal information will be maintained throughout your treatment. These records will contain information including, but not exclusive to, your name, address, date of birth, Medicare number and your referring doctor's details.

During the period of assessment and ongoing management, information of relevance is recorded in clinical notes. These records are stored securely and may be kept for up to seven years following your last consultation.

If necessary, for the continuity of your medical care, this information may be shared with other health practitioners involved in your treatment. In certain circumstances there may be a legal obligation to disclose clinical information. A full copy of our privacy policy is available on request.

Prof Luk Rombauts strongly promotes research to help develop better ways to diagnose and treat patients. If you do not wish to be contacted about research projects by researchers Prof Luk Rombauts collaborates with, please tick this box:

I hereby agree to the storage and the use of my medical information as outlined above.
